

STATINTL

Memo for [REDACTED]

Dear George,

In answer to your request regarding the HTA-5 testing, I find it difficult to single out particular people who may have contributed the most; however, these ten (10) officers and airmen were most responsible for the efforts on the part of the 15th Recon Tech Sq:

Captain Harold C. McCommon, AO1864436  
W/O William J. Wagner, AW2200945  
SMSgt Lewis N. Heaston, AF35169844  
MSgt John W. Owings, AF19309588  
TSgt Fred W. Sprinkle, AF13033570  
SSgt Eldridge J. Haynes, AF38709339  
A1C Hobert F. Statzer, AF13636310  
A1C Chester A. Shafer, AF11297919  
A1C Millard T. Martin, Jr, AF13604039  
A2C Robert D. Holden, AF19702685

I believe these men actively supported the test and did their utmost to provide some evaluation material to you.

Best regards and thank you for your consideration.

W. W. RICHARDS, JR  
Lt Col, USAF  
Commander
